

SHOP UPDATE

June 20, 2019

UPDATE INFO : Please update your personal information on Socrates for GM and with the union hall. There are times we need to contact our members and have nothing on file. This will be very important for communication purposes as both of our contracts come to an end later this year.

FLEET ORDER: The Malibu fleet order has been confirmed as most of you already know or have heard. This will drive maximum **SATURDAY OT** through the end of the year. I know there has been a schedule of all Saturdays posted on Facebook and talked about from the suppliers. The official Saturdays as of right now are **AUGUST 3RD, 17TH, and 24th**. When we comeback there will be more info on what Saturdays that are **OFFICIALLY SCHEDULED**. Remember all Saturdays are subject to change due to our vehicle sales. The Saturday schedule is driven by and scheduled by marketing not anyone here at the plant and will be put out 2 months in advance.

SUMMER VACATION SHUTDOWN: As was announced earlier this year, June 24th and July 1st are the shutdown weeks.

ADDITIONAL DOWN WEEK: This is the week of July 8th. The benefit packets have been handed out. If you have any questions at all on the packet, **Please** get in contact with the Benefit Reps.

MEDICAL DEPARTMENT: The medical department will be closed the week of June 24th and re-open the week of July 1st.

J.D. POWERS: Initial Quality results were released and PROUD to say THE MALIBU was tied for 1st in the Midsize Car segment with the Ford Fusion. **CONGRATULATIONS** on **ALL YOUR HARD WORK** you put in day in and out building these cars.

PLEASE EVERYONE BE SAFE AND ENJOY YOUR TIME OFF!!
