

**Show Pride in Your Military Service**

**To all Retired or Active UAW Members who served in the armed forces of the United States:**

Show pride in your military service by filling out the application for the UAW Veteran Card. The UAW Veteran Card serves as a statement that you are a UAW member who proudly served in the U.S. Armed Forces.

Mail, email, or drop off the application at your International Area Retiree Council, Regional Office or Local Union office and we will forward it to the International Union Veterans Affairs Department. They will process your application and mail your card back to the IAC for you to pick up.
